About Us

GOLDEN TEX GROUP, established in 1991, is a 100% export-oriented sweater manufacturer from Bangladesh, trusted by leading international fashion brands across Europe, North America, Latin America, Canada, and the USA.

With over three decades of expertise, an annual turnover of **USD 80.15 million**, and a yearly shipment volume of **15,335,004 units**, we operate at scale while upholding uncompromising quality. We craft refined sweaters for men, women, and children, defined by precision, comfort, and enduring craftsmanship.

In addition to manufacturing for global clients, we proudly operate our own brands: **TOBA**, a premium polo shirt brand serving both local and international markets, and **Extiles**, a ladies' sweater brand catering to local customers. These brands reflect our commitment to style, quality, and market insight.

Our fully compliant, state-of-the-art manufacturing facilities are supported by a highly skilled technical team and advanced production systems. From design to delivery, every process is governed by rigorous international quality standards, ensuring consistency, reliability, and timely execution.

At Golden Tex Group, excellence is not a statement — it is a discipline. We build long-term partnerships through discretion, trust, and performance, delivering products that embody elegance, durability, and confidence in every detail.

Our Mission

To deliver refined, fashion-forward apparel by transforming our clients' vision into globally marketable products. Guided by a highly skilled technical team and robust quality management systems, we ensure consistency, reliability, and uncompromising standards at every stage of production.

Our Vision

To be a globally respected sweater manufacturing partner, recognized for precision, integrity, and enduring excellence—setting benchmarks in quality, innovation, and long-term collaboration within the international apparel industry.

Our Core Values

Craftsmanship

True excellence is defined by detail. Precision, skill, and care guide every product we create.

Integrity

Trust is the foundation of all partnerships. We operate with transparency, accountability, and ethical responsibility.

Discipline

Consistency is achieved through structure. We follow rigorous systems, standards, and processes without compromise.

Reliability

We honor commitments with dependable quality, on-time delivery, and stable performance.

Partnership

We value long-term relationships built on mutual respect, discretion, and shared success.

CSR & Sustainability

At **Golden Tex Group**, responsibility is integral to every operation. We are committed to ethical manufacturing, safe and compliant workplaces, and the continuous development of our workforce. Through responsible sourcing, efficient production, and adherence to international compliance standards, we minimize environmental impact while maximizing long-term value for partners and communities. Our sustainability approach is guided by accountability, continuous improvement, and respect—for people, processes, and the environment.
